Google Migration

As of Monday 18th November, the school will have fully moved over to Google. This also means that our current email address will no longer be active. Our new office email will now be:

office@maldenparochial.school

Any correspondence sent to our old email from the evening of 15th November may bounce back and will not be able to be viewed by the office team.

Online Absence Request Form

There will now be an online Google Form available on the school website for all absence request forms. Please ensure you refer to the website and complete this form for all absences during school time. Any appointments e.g. dentist will require medical evidence which can be emailed in. If evidence is not provided, the absence will be unauthorised.

If you need to contact your class teacher about homework etc. please use the Google Classroom stream or private comments. If you have another concern, please email the school office, as opposed to teachers' private school email, as these will not be answered.

A festive poster for Malden Parochial Christmas Events. The background is cream with red and white striped borders at the top and bottom. It features illustrations of a wreath, an elf, a snowman, a reindeer, and wrapped gifts. The text is as follows:

Forest School Fun

As the weather is getting colder, we would like to offer children herbal teas and hot chocolate during their forest school sessions. If you do not wish for your child to have either drink, please email the school office.

The Daily Mile Santa Run!

This is a fantastic opportunity to highlight all the amazing physical and mental health benefits that daily physical activity brings, and what better way to do it than with a Santa-inspired twist! 🧑🏻‍🎄.

On Friday 6th December, each class will complete their daily mile – children can bring in festive accessories to spread the Christmas joy.

Dear Parent/Carer

Thank you to parents and carers who have already completed the school entry health survey for their reception child. Completing the survey helps us to understand the health needs of children and families so that services can be planned to meet these needs.

This email is to remind you that if you haven't already completed it, you can access the survey by clicking [here](#). The survey has been extended and will be available until the end of November 2024.

The health survey includes important information about child health and where you can get help and advise to meet your child's health needs during this next step in their journey.

The survey is anonymous, so you or your child cannot be identified. If completing the survey raises any concerns or questions, you can contact the School Health Team for advice and support team on [KU19-SchoolHealth@yourhealthcare.org](tel:02085496323) or 0208 549 6323 or by clicking the 'request for a contact' link at the end of survey.

Kind regards
Kingston School Health Team
