CELEBRATION CORNER

-Our handmade bees are given out when someone has been a blessing to others. The bee goes home with their own journal so children and families can write about what their bee got up to when they went home.

The bees spent half term with Heaven, Matt, Yezen, Abi, Cari, Max, Mrs Phillips and Mrs Davies.

Who will be a Beekeeper this week?

RAMADAN FOOD BANK COLLECTION

After last year's success of the food collection drive over Ramadan, I would like to encourage our children and families to take part again this year. At St. John's we have supported the Kingston Food Bank for several years, as has the school with its annual Harvest gifts. This time of year food donations are desperately needed since the autumn and Christmas season sees the highest level of donations, leaving the charity struggling to meet the needs of hungry families locally at this time of year. Two distribution centres in our area have had to cut their hours simply because they do not have enough food to give away.

I am very proud of our Muslim children leading the way, supporting the Food Bank as they share their own faith traditions and teach us about the practical meaning of Ramadan. In our Church school where Christian holidays predominate, it is lovely to see our Muslim children take centre stage and make a real difference to our school and community. I would like to encourage everyone to take part, to support our children as they learn about the importance of charity and share some of the gifts that we've been given with those who need a helping hand at a difficult time. As Ramadan begins, Lent will soon follow, with both traditions enriching us in prayer, charity and a deeper appreciation of what we all share as God's children in this special place.

Thank you and Ramadan Mubarak! Father Michael Roper
