

Acceptable Use Policy for Early Years

Code of Conduct

I understand that for Malden Parochial School to keep me safe and happy when I am online at home and at school, I must use technology and school systems in a responsible way.

These rules are a reflection of the content of our school's Online-Safety Policy. It is important that parents/carers read and discuss the following statements with their child, understanding and agreeing to follow the school rules when using ICT, including use of the internet.

- I will only use the internet when an adult is with me.
- I will be polite and friendly when online.
- I will make careful choices when using the internet.
- I will ask an adult if I need help.
- If something worries or upsets me I will tell an adult.
