The 'Share My Learning' and PTA AGM Meeting was a fantastic success! Thank you for everyone who attended. We hope you enjoyed and watching our performances.

During the PTA meeting, our current PTA team introduced the new members who will be taking over. Thank you so much to our wonderful team for their unwavering commitment to the school and the PTA. We are so grateful for the time they have taken out of their personal life to organising such wonderful events for the children, and for raising money to support the school. In their stead, we say hello to a new PTA team and look forward to future collaborations.

### Christmas Cards

Children will have brought home their picture created in school which can be made into Christmas cards, wrapping paper and mugs which will help to contribute to PTA funds. The closing date for orders is **Sunday 2<sup>nd</sup> November**, use your code and order online.

Dear Parent/Carer

Subject: Reminder - Reception children Health Review survey

We sent you an email recently let you know about a health survey for parents of reception children. This email is a reminder in case you haven't had an opportunity to complete it yet.

All parents/carers of reception children are invited to complete the survey which includes useful information about child health and where you can get help and advice to meet your child's health needs during this next step in their journey.

To access the survey, please click [here](#). The survey will be available until 2nd November 2025. The survey data is also shared with Kingston Council to understand what children and families need so that services can be planned to meet the needs of local families.

The survey is anonymous, so you or your child cannot be identified. If completing the survey raises any concerns or questions, you can contact the School Health Team for advice and support on [KU19-SchoolHealth@yourhealthcare.org](mailto:KU19-SchoolHealth@yourhealthcare.org) or 0208 549 6323 or by clicking the 'request for a contact' link at the end of survey.

Kind regards  
Kingston School Health Team
