### 🤍 Anti-Bullying Week: Power for Good 🎵

Dear Parents/Guardians,

Next week is Anti-Bullying Week, and this year's theme is 'Power for Good'. Classes will be having lessons connected with anti-bullying and theme.

To launch this important week and show our support for this initiative, we are inviting all children to participate in an awareness day on **Monday 10th November**.

Children are welcome to come to school wearing odd socks and slippers for a suggested donation of £1.

Please ensure that any slippers worn have hard soles. Alternatively, if their slippers have soft soles, please send their regular school shoes for them to change into for outside playtime.

### Children in Need 🐻

On **Friday 14th November**, we are inviting all children to join in the fun and wear spots (like Pudsey Bear!) and to bring in a £1 donation.

The money raised for Children in Need goes to projects right across the UK that focus on children and young people who are disadvantaged. This includes children facing challenges like poverty, neglect, disability, or mental health issues.

Dear Parent/Carer

We sent you an email before half term about a health survey for parents of reception children. We have extended the date the survey will close to the end of November. All parents/carers of reception children are invited to complete the survey which includes useful information about child health and where you can get help and advice to meet your child's health needs during this next step in their journey.

To access the survey, please click [here](#).

The survey data is also shared with Kingston Council to understand what children and families need so that services can be planned to meet the needs of local families.

The survey is anonymous, so you or your child cannot be identified. If completing the survey raises any concerns or questions, you can contact the School Health Team for advice and support on [KU19-SchoolHealth@yourhealthcare.org](mailto:KU19-SchoolHealth@yourhealthcare.org) or 0208 549 6323 or by clicking the 'request for a contact' link at the end of survey.
