A Week of Discovery! It has been an action-packed week of learning beyond the classroom!

Years 1 and 4: Our younger explorers headed to the Polka Theatre. Year 1 was enchanted by the heart-warming *Ruby's Worry*, while Year 4 took a divine dive into Greek mythology with *Who Let the Gods Out?* The children were a credit to the school and returned full of stories from the stage.

Year 6: Our eldest children visited Chessington Resort for their Junior Citizenship event. They tackled real-world scenarios and picked up essential life skills to help them feel confident and prepared for their upcoming move to secondary school.

We're entering a vibrant season of reflection and celebration across our school, with several important religious and cultural festivals approaching. Children are exploring the stories, traditions, and values behind each one, and staff are weaving these themes into learning in thoughtful, creative ways.

We will be marking Lunar New Year, welcoming good fortune and new beginnings; Lent, a time of reflection and kindness; Ramadan, focusing on generosity and community.

These moments help us deepen our understanding, honour our diverse community, and enjoy shared experiences together.
