

### **Terms and conditions for a FULL-TIME FUNDED place (2026/27)**

1. I confirm I am eligible for a free full time funded place.
2. I understand my child's full time funded place is not confirmed until the school has validated my eligibility code.
3. I understand my child must attend nursery every day from 8.30am to 2.30pm in accordance with their booked sessions.
4. At Malden Parochial Nursery, the extended hours provide 3 hours 45 minutes additional hours per day (that is 18 hours and 45 minutes each week).
5. Lunch club includes the provision of a school meal. For our fully funded families, we ask for a voluntary contribution of £3 toward the hot meal.
6. I understand I am responsible for checking and reconfirming eligibility every 3 months. Following a family falling out of eligibility, there is a 'grace period' before the nursery place incurs a charge for the additional hours.
7. If I fall out of 'eligibility', I understand that I will have to pay £25 per 3-hour session for my child to continue to access a full-time place; if I am unable to pay, my child's nursery place will be reduced to 15 hours per week.
8. Half a term's notice is required if I wish to cancel my full-time place or change my provision as required.
