Night Owls Booking – Amendment from previous newsletter

Please note that our Night Owls wraparound care will be available on **Friday 19th June**. For this specific date **only** all parents must secure their child's spot and make their payment directly through ParentMail. Spaces are limited, so please ensure you log in to your account ahead of time to book and guarantee your child's place.

A Bronze Medal Win and a Golden Cricket Team Spirit!

What an incredible day at the cricket tournament! A massive congratulations to our fantastic team for securing a brilliant third-place finish.

While the bronze medal is a fantastic achievement, what truly made us stand out was we were the only school at the tournament to field a mixed team of boys and girls.

Winning a medal is great, but seeing our year 5 cricket team demonstrate such amazing teamwork, inclusivity, and genuine joy is what truly makes us proud.

What an amazing day, and what a superb group of children.

Year 4 Swimming Gala

Our group of Year 4 children did a fantastic job representing the school at this week's cluster Swimming Gala, hosted by Coombe Hill Junior's and compered by our very own Mrs McMullan! Despite the wet weather, the team showed incredible tenacity and school spirit across a variety of races and relays. Well done!

Examberry 11+ Tuition

There are still some places to sign up to Examberry, our bespoke Malden Parochial 11+ tutoring sessions. Parents have until **Friday 10th July** to book their discounted places, after which, it will be open to children from other schools. This is proving to be a popular offer so book early to secure your child's place.

www.examberry.com/11-plus-tuition-malden-parochial-years-3-4-5-6/

Well done to our Year 3 children for putting on a wonderful assembly all about the Ancient Egyptians! It was a fantastic, high-energy performance packed full of fascinating facts that left parents and teachers alike incredibly impressed. Thank you to everyone who came out to support them, and well done to the children for sharing their knowledge so brilliantly!

9 June 2026

Dear Colleagues

Kingston Local Area SEND Inspection 18-26 June 2026

Ofsted and CQC will be inspecting our local area in the next few weeks. This is a multi-agency inspection of the support provided to children and young people with SEND across education, health and social care. Inspectors will track individual children's experiences, including meeting with them, their parents or carers, and the practitioners that support them.

Inspectors will also visit providers and services, such as schools and community health centres, and will meet with leaders, managers and practitioners to follow up on their key lines of enquiry. The experiences of children, young people and families are central to the inspection process. Therefore, inspectors will survey and meet with them, as well as with representative groups, notably the Parent Carer Forum.

If you are interested to know more, this is the link to the framework: [Area SEND: framework and handbook – GOV.UK](#)

This is our opportunity to show the quality of our services, the improvements we have made since our last inspection in October 2022, and the positive experiences and outcomes achieved for children and young people.

An important part of the inspection process is hearing the voices of all stakeholders across the local SEND system, so please distribute the survey links to young people, families and practitioners, using as many online means as possible. These surveys will allow inspectors to consider the views of children and young people, parents and carers and practitioners. These survey links will be open from 08 June 2026 to 9am on 16 June 2026.

The survey link is: [Ofsted Smart Survey](#)

Many thanks

Getting to know your Governors – Julie Watkins**Why are you a governor and what skills do you bring?**

I'm proud to be part of the MPS governing body. With over 20 years in education and leadership, and my current role as Deputy Head at Kingston College, I'm passionate about helping young people reach their full potential.

I'm here to give back to the community, support the school's success, and help every student thrive. Outside of work, I love spending time with my three grandsons, travelling, reading, and keeping active outside.

Favourite children's book?

Oh there are so many to choose from... but I love stories like The Gruffalo, The Tiger Who Came to Tea, and Calm Down, Boris! that spark imagination and make reading a joyful experience for young children.

Favourite religious quote or saying

I really like these two quotes:

"It does not matter how slowly you go as long as you do not stop." and because my work involves working with young people, I really think this quote is powerful and true.

"Do what you love, and you'll never work a day in your life"

Best life hack?

Get clothes ready the night before, this saves me making a decision so early in the day! This simple hack saves time in the morning and helps me start my day stress-free! along with my cup of coffee ☺

Staffing for the New Academic Year (2026-2027)

As we approach the end of a fantastic school year, we are delighted to share our teaching arrangements for the upcoming academic year, starting in September 2026.

We know how exciting it is to move up to a year group and to ensure a smooth transition, all children will have the opportunity to meet their new teachers on Wednesday 1st July. Please find our class teacher lineup for 2026-2027 below:

Year Group	Class Teacher(s)
Nursery	Miss Wiggins
Reception	Mrs Taylor
Year 1	Mrs Arogundade
Year 2	Mrs Walker
Year 3	Mrs Coyne & Miss Martin
Year 4	Miss Mathiapparan
Year 5	Miss Newman
Year 6	Miss Anderson

Good Work Bags given out this week

Work of the Week

Well done, Amira and Naomi, Year 4!

School Health Service - Parent/Carer Advice clinics

The Your Healthcare School Health Service offer support with children's health and wellbeing to children and families who attend state funded Kingston Schools or are home educated and live in Kingston. Parent advice clinics are for parents of primary school aged children. They run weekly during term-time on different days of the week.

What sort of support/advice is available at a parent advice clinic?

Common issues we provide support and advice with bedwetting, constipation, soiling, nutrition and healthy lifestyles, behaviour, dental health, emotions and sleep. Appointments are on-line, by telephone or in person at our clinic in Surbiton. The aim of the appointment is to find out more about your child's needs so we can advise you on what to do next. This might include referral to specialists, suggesting you see your GP, signposting to resources that can help you or a more detailed assessment of your child's health needs by a school health practitioner.

Can I get support with speech and language concerns?

For concerns regarding your child's language development the children's Speech and Language Therapy advice line is available on Wednesdays 10-12 and Thursdays 2-4pm. The contact number is 020 8339 8106 and a voicemail is available for call back.

How do I book an appointment?

Please click on the booking form link: [Parent Advice Clinic Booking Form](#)

Alternatively, you can contact the School Health service on:

Email: KU19-schoolhealth@yourhealthcare.org

Phone: 020 8549 6323

Please include your **child's full name, date of birth and school** in your email.

Appointments are 20 minutes long. If you have multiple concerns to discuss, please contact the School Health Team so that we can offer you a suitable appointment time.

Appointments are for one child. If discussing more than one child, please book a separate appointment for each child.

If you require an interpreter, please let us know the language you require ahead of your appointment.

Your Healthcare Community Interest Company

Registered office: Hollyfield House, 22 Hollyfield Road, Surbiton, Surrey, KT5 9AL. Registered in England and Wales number 06762290
VAT number 945 9106 03

Parents, we want to hear from you!

Parent/Carer Focus Meeting Opportunity for Families from the Hong Kong Community to share their views

An interpreter will be present who will translate the discussion in Cantonese.

The Mental Health Support Team (MHST) would love to hear from parents and carers across Kingston and Richmond. We are inviting you to join an upcoming discussion session to share your views, experiences and ideas.

Your voice can help us understand how schools and services can better support the emotional wellbeing of all children, young people and families in our communities.

You do not need to have used mental health services or sought support for your child to take part. We welcome all perspectives and would love to hear from as many parents and carers from the Hong Kong community as possible.

Event details

Friday 19th June 2026
11:00am–12:00pm

Two sessions will run at the same time — please choose the option that works best for you:

In-person discussion

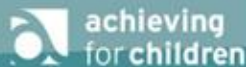

Heatham House Youth Centre, Whitton Road, Twickenham, TW1 1BH
Tea, coffee and refreshments provided.

Online discussion session

Via video call

Please register your interest by completing the Google Form at the link below:

[RSVP: MHST Parent Focus Group](#)

We would love to hear your thoughts on:

- **Your experiences:** What has it been like supporting your child's emotional wellbeing?
- **What helps families:** What makes it easier for families to find information, advice or support when they need it?
- **Different experiences and perspectives:** How might culture, language, community or family experiences shape people's views or experiences?
- **Ideas for the future:** What could schools and services do to better support children and families?

Your Participation Matters

By taking part, you help us ensure that every family feels heard and supported. Your insights will directly contribute to developing strategies that prioritise the mental health of all young people in our community.

Confidentiality & Care: We want everyone to feel comfortable. Information shared will be treated confidentially and used only to improve our services. Individual comments will not be attributed to specific participants. If any part of the discussion feels uncomfortable, you are free to take a break or choose not to answer.

More information about the MHST can be found here: [MHST leaflet \(for parents\)](#)

How to Sign Up
