Each week, children will create a brand-new recipe completely from scratch, which they'll be able to take home and proudly share with family and friends. Along the way, they'll collect weekly recipe cards and enjoy a fun craft activity while their food cooks.

Children don't need to bring a thing, just a love of cooking! We provide all ingredients, equipment, and plenty of fun. Each session is £15 10% reduction for any additional siblings.

We look forward to cooking with the children soon!
