

Night Owls Activities

Creative Arts & Crafts

- **Nature Collages:** Gather leaves and twigs outside to build textured portraits or landscapes.
- **DIY Bird Feeders:** Make eco-friendly feeders using pinecones, lard, and birdseed.
- **Junk Modeling:** Build themed structures (e.g., Space or Future City) from recycled cardboard, caps, and foil.
- **Rock Painting:** Paint smooth stones into "Story Stones" or "Pet Rocks."

Activity & Movement

- **Obstacle Course:** Set up hoops, cones, and benches for a timed team challenge.
- **Indoor "Laser" Maze:** Tape yarn across a hallway at various angles for kids to crawl through.
- **The Floor is Lava:** Navigate across the room using only cushions or mats.
- **Balloon Volleyball:** Play safe indoor volleyball over a string net.

STEM & Skill-Building

- **Slime Laboratory:** Explore simple chemistry, textures, and colors by making slime.
- **Spaghetti Bridges:** Test engineering skills by building structures with dry pasta and marshmallows.
- **Paper Planes:** Fold and test paper airplanes for distance or stunt contests.
- **Stop-Motion Animation:** Create short 30-second movies using tablets and play-dough or LEGOs.
