If you intend to pay with tax-free childcare vouchers, please email the school office with your desired dates and sessions.

The South London Children and Young People's Community Immunisation Service is running two parent and carer information sessions, focusing on the children's flu vaccine. These sessions will take place on:

- Tuesday 10 November, 13:00 - 14:00
- Thursday 19 November, 16:00 - 17:00

These sessions are designed for parents and carers of children and young people and will provide information about the annual flu vaccination programme. During the sessions, we will:

- Explain why the flu vaccine is important for children and young people.
- Guide parents and carers through the process of completing their child's consent form.
- Answer any questions that parents and carers may have about the children's flu vaccine or the flu vaccination programme.

Parents and carers can register for either webinar by completing this short form. We have also attached a promotional poster for you to share with your school community

For those who are unable to attend, the webinar will be recorded, and a copy of the recording will be shared after the event.

A huge thank you to Maryam, who was our brilliant "Office Staff Member for the Day" after winning the role in the family fun day auction! Maryam was extremely helpful throughout the day, tackling every task with enthusiasm and real professionalism.
One of her responsibilities was to count the money raised for our 'Wear Red for Anti-Racism Day'. We are pleased to share that we raised £15.50 in cash.

Thank you so much to everyone who donated in school, as well as anyone who may have donated online to support this important cause. Your generosity is greatly appreciated!

Christmas Card Artwork
Don't forget to order your child's Christmas Card Artwork before 8th November.

How the project works:
Parents simply use the school code, upload their child's artwork and place their order.
SCAN THE QR CODE → ENTER THE SCHOOL CODE → PHOTOGRAPH → UPLOAD → ORDER
Once the artwork is completed, the original A4 design stays at A4 size, as always we request, no glitter, and no pencil drawing. Parents simply take a clear photo of their child's artwork and upload it through our new app or website. Parent also now have the option to take a photo of their child with a family pet and upload this as well.
Once the children have completed their artwork, parents simply scan the QR code, take a photo of the artwork and upload it through our app or website. From there, they can place their order in just a few simple steps.

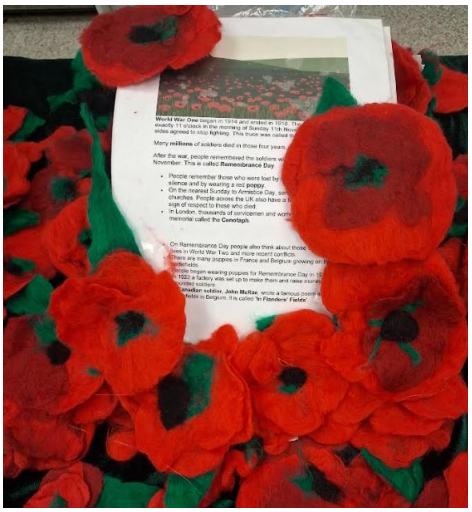

Shop opens – 23rd October
Shop closes – 8th November
Estimated dispatched date – 17th November

Artwork will be sent home over the coming weeks for parents to scan and order online.

Thank you to Busy Lizzy for visiting us recently to run a wonderful felt workshop for our children!
The children had a fantastic time learning how to work with felt, soap and bubble wrap, and create their very own beautiful poppies. It was a great success, and the children thoroughly enjoyed the hands-on experience and bringing their unique creations to life. Thank you to those who have paid for this exciting opportunity.
