

## Plan of Activities

We plan to have various table top activities for children to choose to take part as they gather from their classroom. Children in year N, R and 1 will be escorted by an adult to 'The Nest' (D&T room). There will be activities in the room that they are familiar with in their own classroom, to provide some familiarity and security.

Time	Monday	Tuesday	Wednesday	Thursday	Friday	Unique Purpose

We are incorporating a number of clubs into our after school club, as we realise this is what children want to do.

### Future activities include

- Snooker
- Table tennis
- Fortnightly feedback from children and parents about what is going well
- We plan to offer hoodies so children feel a sense of belonging and so their after school opportunity feels different from being at school
